Subject : **Thank You to Dr. Donya Hemmadhun and the nursing team**

Dear Sir,

Please help to pass my thank you message to Dr. Donya Hemmadhun and your nursery team. It is because during my holiday stay at Koh Samui, my son , Wong Tin Lik, has suffered from H1N1 being identified on 9-Aug-2009. After having Dr. Donya and the nursing team taking care patiently, my son get well fast. I deeply appreciate for all of your staff professional service, and wholehearted thank you all of you.

Best regards,
Sharon Yip

(Mother of Wong Tin Lik)
